## October 2025 Newsletter

### New Feature in Archers Diary

Paul Korosi from Paringa Archers (who wrote Archers Diary) has been working on a couple of online features for Archers Diary.

He has recently created a Members Portal as part of Archers Diary and is now available to members. It allows you to see all your Club and Competition shoots, keep track of your Bow Setup & Arrows setups, create practice rounds and score them, assign a bow and arrow set to each round you shoot.

The link is here <https://archersdiary.com/members>

You will need to register first with your email address and your Membership Number that is in Archers Diary (Which is your Assemble Membership Number) and create a password, you will get a verification back via your email address.

Once you have logged in you can see the events you have registered for in Archers Diary, You can also edit these registrations as well.

At the top of the screen you can see some tabs the accounts tab just shows you info.

The Diary Tab shows a calendar with the events you have scored for and by click on a date will show what event that was.

The Assets tab allows you add information about your Bows & sets of Arrows as a record of your setup. There is also Practice Target Rounds so you can create your own rounds to enable you to score practice sessions.

The Events Tab has a list of your Competitions Events (The Events you have entered via Archers Diary) A list of your Practice Sessions, Your Best Scores, Handicaps and what score.

The List of Competitions allow you to look at all your Club shoots & Competition events. You can see the event by clicking on the name and it will open Archers Diary to that event.

In your list if you click on the score for an event, it will display your scorecard.

You can also add the bow & arrows you used by clicking on the three dots and selecting edit.

If you click on the three dots and select Scoring it will again show you your scorecard.

The List of Practice session is much the same as the Competitions except that once the Session is created you can score it either by manually adding the scores or using the virtual target by placing each arrow on the target face and it calculates the score.

The Best Scores, Handicaps & What Score are all drop down options to display results.

## Also

In addition to the Members portal, there is a Coaches Portal, which allows coaches to keep track of where they have provided coaching to groups or individuals. This includes Come and Try events. This record will help keep track of how much coaching you have been involved in when it comes time to re accredit.

The Coaches Portal uses your same log in details at the Members Portal, and can be found at:

## Disabled Coaching Session

On the 5<sup>th</sup> October the club held a coaching/come and try event for a group of disabled members of the community. This was as a result of a request from the Tasmanian Institute of sport Para Unit, and also involved members of this unit, along with a representative from the Australian Institute of Sport. The idea was to give people a taste of the sport, and to spot any potential interest and talent among participants. The session was of course enjoyed by all who took part.

If you are interested in the particular requirements of Para-sport, more can be found at the following links:

## Break in

Unfortunately the month did not start off too well with a break in at the indoor range in the early hours of October 1<sup>st</sup>.

Stolen equipment included 3 x recurve bow kits (2 x RH, 1 x LH), orange Mathews Genesis bow and a selection of arrows (different lengths and spines).

Looks like 2 x male 1 female.

The Facebook link is posted here again, just in case anyone does recognise these people.

## Coaches Training

On Saturday and Sunday 18<sup>th</sup> and 19<sup>th</sup> October, training courses were conducted for Level 1 and Level 2 coaches.

Congratulations to all who have renewed their qualifications, and to our new level 1 and 2 coaches.

Those who took part in the Level 1 training and reaccreditation were Shirley, Wal, Emma, Tatiana, Tony, John and Luke.

The level two course participants were Dean and Peter, as well as Sarah from Hobart Archers. Many thanks to Jeff Garner and Murray Frith for running the courses.

## Competition News

### Mid-Week Shoot

Only one round plus one end shot for the midday shoot – must have been our delightful spring weather again!

Tony continues to shoot well, leading the scores at 20m, closely followed by Bill and Denise.

## 1<sup>st</sup> Saturday Shoot

The weather probably reduced the field for the 1<sup>st</sup> Saturday shoot as well, but more people turned up for the mini field held as the second part of the shoot.

Congratulations Roger for winning the target shoot.

Robin Hoods are becoming quite common on the Saturday shoots!

## Mini Field October 4<sup>th</sup>

After lunch following the first Saturday shoot, and following some practice on field target faces, 8 members (including 4 first-timers) proceeded to the field course to shoot the 12 target all at 10m.

Scores for the event:

Heather	62
Bella	80
John	126
Tabitha	127
Jason	130
Peter	132
Roger	133
Tony	136

All enjoyed the event and agreed that there should be a few more.

## 2<sup>nd</sup> Saturday Shoot

Only six for the 2<sup>nd</sup> Saturday shoot and all shot a 20/720 round. Some pretty close scores as well. Tony continued his winning streak again, followed by Denise, John and Paul, with only 8 point separating 2<sup>nd</sup> from 4<sup>th</sup>.

## Southern WA

Paringa had one archer at the Hobart 1440 round on the weekend of 11 and 12 October, Jeff Garner, competing in 60+ Recurve.

Weather once again wasn't kind to the scores on Saturday, with the shoot being cancelled only one end into the second distance!

Sunday fared a bit better with archers deciding to shoot the round through without a break so as to avoid impending rain!

## Masters Games

Toward the end of October, the Masters Games were conducted in Canberra. There were four archery events, target, clout, field and indoor. Representing Paringa Archers was Geoff Dyer who managed to win Gold in the male 70+ compound event – well done Geoff!

Two other Tasmanian archers competed in the Masters Games, Amberleigh Muller from Hobart Archers in 50+ women's recurve, and Kurt Hofler of DVA in 70+ male longbow.

Amberleigh placed 1<sup>st</sup> in field and 2<sup>nd</sup> in the indoor. Kurt placed 2<sup>nd</sup> in the field. Well done to all.

## Social shoots

### Mini Clout

That elusive 300 round nearly fell in the mini clout this month, with Denise shooting a 298 for the 50m clout in the first round – well done!

Paul Karosi took out the 60m clout in both the first and second events, and again wasn't far off getting a 300. Karen had the highest 50m clout score in the second round with a 289.
